

Mentoring Development Programme

Part 1 and 2

28th-29th April 2008

St Catherine's College, Oxford

10th-11th June

Paramount Hotel, Oxford

****It is important to attend all four days of the programme****

Whether you are already engaged in mentoring or are about to undertake mentoring responsibilities, this 4 day programme aims to develop the skills needed for effective mentoring.

Aims of the programme:

- To define mentoring and understand its benefits
- Discuss principles of effective mentoring
- Develop a working knowledge of one framework for mentoring process
- Develop mentoring skills
- Explore practical and professional issues in mentoring
- Consider how to develop mentoring locally

Learning Opportunities:

A Mixture of taught inputs, demonstration by tutors, group exercises, pair and small group skills.

Participants will spend a significant amount of time practicing skills. Work will be in trios with colleagues and facilitators, practicing both the mentoring skills and also being a "mentee"

There will also be the opportunity to meet facilitators who have completed the course in the past and who will share with you the ways in which they have put their mentoring skills to practice
