

Balint for All

The Balint Society

**Oxford Balint Weekend
25th-27th September, 2009**

Refresh your enthusiasm
Revive your empathy
Share your experience of the consultation
Come to understand your feelings
and to work more effectively

Groups, made up of GPs
and allied professionals, and led by experienced
leaders, can explore the psychological
aspects of their work with patients.
Group experience is not necessary.
