Travelling directions:

Magdalen Centre
Robert Robinson Avenue
Oxford OX4 4GA
Tel: 01865 784000

Public transport

By rail, Oxford station

Oxford is less than 1 hour from London Paddington station. The Science Park is a 4 mile taxi ride from the railway station.

By air, Heathrow and Gatwick airports

Regular coach services run from Heathrow and Gatwick airports to Oxford city centre. Taxis are available from the city centre.

By bus

Thames Travel route 106. For further details see www.thames-travel.co.uk

By road

The Oxford Science Park is located approx. 4 miles south east of Oxford city centre. When travelling from the north use the M40 Junction 9, or from London use the M40 Junction 8. The Science Park is well signposted, however where not indicated, follow signs for the A4074 or the Kassam Stadium located about 500 metres east of the Science Park
