01 June, 2010

Dear Colleague,

**Re: GP information day for Adult Respiratory Services – 1-4pm Thursday 8 July, 2010**

As part of a programme for improving communication and information sharing between ORH medical staff and GPs we have committed to hosting four sessions each year highlighting different services throughout the Trust. We are therefore pleased to invite you to the third session hosted by the adult respiratory medicine team at the Churchill Hospital.

As you are aware parking is limited on the Churchill site but there are a number of pay & display car parks at various points near the old main entrance. (please see map)

[www.oxfordradcliffe.nhs.uk/findus/churchill/churchill.aspx](http://www.oxfordradcliffe.nhs.uk/findus/churchill/churchill.aspx)

The event will be held in the seminar room of the Chest Unit Offices. Please enter by the old main entrance of the Churchill (off Churchill Drive). Turn left and half way down the corridor on the right hand side you will see a blue sign for Chest Unit Offices.

A sandwich lunch will be provided between 1-1.30 so we would be grateful if you could confirm your attendance either by email to [jenny.kitovitz@orh.nhs.uk](mailto:jenny.kitovitz@orh.nhs.uk) or phone 01865 221745 by **no later than Monday 5 July**.

---

From the Director of Planning and Information  
Oxford Radcliffe Hospitals

Please find an outline of programme listed below. We hope you will be able to join us.

| Timing             | Activity   | Speaker  |
|--------------------|--|--|
| 1.00pm             | Sandwich lunch provided                                      |  |
| 1.30-1.35pm        | Welcome and introduction                                     | Andrew Stevens, Director of Planning & Information |
| 1.35-1.45pm        | Overview of Adult Respiratory Services                       | Dr Lesley Bennett                                  |
| 1.45-2.15pm        | Which asthma patients need referral? Case based presentation | Dr H Bettinson                                     |
| 2.15-2.45pm        | A practical approach to the management of chronic cough      | Dr Lesley Bennett                                  |
| <b>2.45-3.00pm</b> | <b>Short coffee break</b>                                    |  |
| 3.00-3.30pm        | COPD – local implications of the National Strategy           | Dr Maxine Hardinge                                 |
| 3.30-4.00pm        | Lung cancer and effective use of the 2 week wait             | Dr David Breen                                     |
| 4pm                | Close of session   |  |

I look forward to hearing from you.

Yours sincerely

**Andrew Stevens**
