Access

Parking at St Catherine's College like most sites within the city is very restricted, so we advise not coming by car.

From the City Centre

The City Centre to St Catherine's will take between 15 and 20 minutes. Most local bus stops are located on Cornmarket and Queen Street, and national buses arrive at Gloucester Green Bus Station on George Street. From any of these, you should make your way to Broad Street (opposite Debenhams). Continue to the end of Broad Street, (past the Sheldonian Theatre on the right). At the traffic lights go straight on into Holywell Street, and at the end of this turn left into St Cross Road. Cross the road at the pedestrian crossing (St Cross Church is on your right) and take the next main right into Manor Road. Go over the bridge and St Catherine's is on your right.

From the Train Station

Taxis are recommended from the station, but if you are happy with a 30 minute walk, turn left as you leave the station area. The Royal Oxford Hotel is directly in front of you; keep left and walk along Hythe Bridge Street. At the end walk straight across into George Street. At the end of George Street Debenhams Store is on the left - from here walk straight over into Broad Street and follow the directions as from the City Centre.

Catering

The charge of £55 for the registration covers catering costs.

Sponsorship

This event has been generously subsidised by sponsorship from pharmaceutical companies enabling us to have a nominal registration fee to cover catering costs. Representatives from industry will be present and will have display stands.
