

## Palliative Care Education in Primary Care 2011-12

These sessions will be of interest to General Practitioners and District Nurses caring for patients with palliative care needs in the community. Sessions will be led by Palliative Care Consultants and are **free of charge**. **Booking is not essential but advisable, as it helps to plan the sessions**. The programme is offered in five locations across the county from November 2011- November 2012. There are **6** topics which will be repeated at each location.
