

Please find attached details of the Certificated Coaching Programme.

As you know this programme is part of the overall coaching programme that South Central are running. You will see from the information that this programme is for leaders and managers who wish to become accredited coaches and who will use coaching regularly in their work role. It is an accredited programme.

This 5½ day programme which consists of 3 workshops and will be held at Elcot Park, Newbury, Berkshire.

Programme 1 dates :

Workshop 1 12th - 13th February 2009

Workshop 2 19th & 20th March 2009

Workshop 3 20th & 21st April 2009

We will be running more of these accredited programmes.

In order to get the appropriate nominations for the programme I am asking you consider carefully who is appropriate to attend this as there is an ongoing commitment to become an active coach within South Central. As the Leadership Development Lead you are in the best position to decide who is suitable but my guidance would be staff in management roles, both clinical and non clinical roles are appropriate and also please consider employees from a Black, Ethnic Minority background, at band 7 and above. I am happy to talk this through with you.

Once you have identified suitable staff in your organisations, please ask them to complete the attached application form, return it to you first so that you can endorse it and then forward to Sally Dix at [leadershipdevelopment@southcentral.nhs.uk](mailto:leadershipdevelopment@southcentral.nhs.uk) by Monday 19th January 2009.

We will confirm the nomination(s) by Wednesday 21st January 2009.

It is important that you identify yourself as the Leadership Development Lead for your organisation

so that employees know who to reply back to.

We look forward to receiving your nominations.

Kind regards

Maggie

Maggie Woods
