Dear Sir/Madam

Please could you circulate this invitation to your GP's. If they have an interest in Rheumatology then this meeting would be particularly of interest. This would also apply to specialist nurses and physiotherapists if they are actively involved in running Rheumatology based clinics.

If you or any of your practice have any questions please don't hesitate to get in touch by phone or email.

Kind regards

Rob de'Ath
Healthcare Development Manager
Abbott Laboratories
